Subject: Peer-to-Peer File Sharing

Members of the University Community:

Welcome back from the Division of Information Technology. Please take a few minutes to review this important information regarding Peer-to-Peer file sharing.

The University's technology infrastructure allows us to share resources and collaborate with each other and colleagues around the world in numerous, productive ways. Please be mindful that while using the University's information and technology resources, we have all agreed to abide by the [Acceptable Use of Information Technology Resource Policy](#).

What you need to know about Peer-to-peer file sharing: In 2010, final regulations from the federal government specific to the use of peer-to-peer (P2P) file sharing

Carl Hurst
AVP and Chief Information Officer
University of Scranton
